

Data Quality

When was your last coding check up?

H.I.M. ON CALL, Inc. provides comprehensive coding compliance auditing, validation and data quality review services. Our vast experience in all types of coding compliance-related issues gives us the ability to diagnose the quality of your data and provide the appropriate education and tools to achieve your true coding and reimbursement potential. Based on the type of review, the team can include such professionals as physicians, nurses, coders and other healthcare professionals.
